

Welcome to **INQ-24N** for the Fall 2025 semester. I look forward to meeting all of you and to working together this term.

Some things you'll want to know and do before the semester begins:

- **Read over the syllabus and schedule for our course.** You can find it in our Blackboard pages. At the left, there's a navigation pane. (It's possible that the pane will hide to the left and you'll have to slide it out using the arrow that shows up when you hover over it.) Click the link that says "Syllabus and Course Policies." The Syllabus link is red and when you click on it, it should download or open, depending on your computer. We'll talk about it on our first day, but it wouldn't be a bad idea to familiarize yourself with it.
- There are **no textbooks to purchase or rent** for our course.
- **Be in touch with me if you have questions:** schilppm1@southernct.edu or 203/671-9605.

Can't wait to meet you all on the 26th!
